

Useful links/ideas for parents

1) Numeracy Ninjas Worksheets

http://www.numeracyninjas.org/?page_id=165

2) Choose skills on Sumdog

a) In 'CITY', click on Choose skills

b) Click on Show filters, select the skills you want to practise. Press Next and play.

3) **Quizlet.** This is a website where you can search for simple flashcards on a range of topics. It does contain ads, however but you can pay a small fee to have these removed.

E.g. Search: quizlet number bonds

4) **For years 3-6, there are maths videos on key aspects of calculation on the BVPS website**

<https://www.bournvillvillageprimary.org.uk/bvps-maths-videos/>

5) **Komodo Maths**

It's not cheap, but is very high quality

<https://komodomath.com>

6) **Search: Corbett Maths Primary** – a free website for KS2 children
